It's spring. I love this season because, for a brief time, I can walk around wearing only a T-shirt and not feel too hot or too cold! It's so pleasantly warm... But this year there seems to be an abnormal amount of pollen in the air. Is everyone dealing with it okay? And now I present to you, for your leisure time (when you're not working or studying), a comic by spring-lover Maikoto Haruno. ♪

ARTIST MAIKOTO HARUNO RECEIVED THE BRONZE AWARD FOR THE MONTHLY JUMP MANGA GRAND PRIZE FOR HIS MANGA, "BOKU WO MITSUKETA HI" (THE DAY I FOUND MYSELF). LEGENDZ IS BASED ON AN ORIGINAL CONCEPT BY WJZ (THE PEOPLE WHO BROUGHT THE WORLD TAMA-GOTCHI) THAT HAS SPUN OFF TOYS, VIDEO GAMES AND ANIME SINCE ITS INTRODUCTION IN JAPAN IN 2003. THE MANGA ENDED ITS RUN IN JAPAN'S MONTHLY SHONEN JUMP IN 2005.

I've decided to answer some of the readers' questions about this girl who works for the ChWC.

SAKI AMAMIYA (11)

She's a child prodigy who stands out American university.

By the time Leo becomes the president of the company, she will probably work as his assistant and arrange his documents and out his affairs in order.

She seems much more capable than I am.

There were also plans to have her enter the Gintama with a Griffin Legend...

Never understood by anyone.

I'm always been alone.

Now I'm really alone.

My sister Mio, the one person I could tell my feelings to, was kidnapped.
